

## Class Topic: Active and Passive voice

Voice হলো Verb-এর একটি রূপ যা প্রকাশ করে যে Subject (কর্তা) কাজটি নিজে করছে নাকি কাজটি তার ওপর এসে পড়ছে।

**Active Voice:** যখন Subject নিজে সরাসরি কাজটি করে।

Ex: I play cricket.

The bad feels soft.

The glass has broken.

**Passive Voice:** যখন Subject সরাসরি কাজটি করে না, বরং কাজটি তার দ্বারা সম্পন্ন হয়।

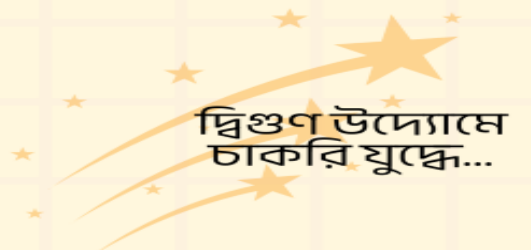

Ex: Cricket is played by me.

We are followed.

The flower was stolen.

Test: English ----- across the world.

(a) speaks    (b) is speaking    (c) is spoken    (d) has been spoken

**Active থেকে Passive করার সময় মূলত এই ৫টি পরিবর্তন হয় :**

**Active Voice-এর Object-টি Passive Voice-এর Subject হয়।**

**Tense অনযুয়ী Auxiliary Verb (am/is/are/was/were ইত্যাদি) বসে।**

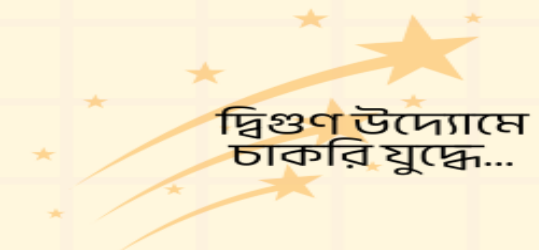

**মূল Verb-এর সবসময় Past Participle (V3) ফর্ম বসে।**

**সাধারণত একটি 'by' বসে (কিছু ক্ষেত্রে to, with, at বসে) ।**

**Active Voice-এর Subject-টি Passive Voice-এর Object হয়।**

## Tense অনযুয়ী Auxiliary Verb

| Tense                                                                                                    | Active Verb        | Passive Auxiliary + V3                                                                                         |
|----------------------------------------------------------------------------------------------------------|--------------------|----------------------------------------------------------------------------------------------------------------|
| Present Indefinite<br> | write / writes     | am / is / are + written<br> |
| Present Continuous                                                                                       | am/is/are writing  | am/is/are + being + written                                                                                    |
| Present Perfect                                                                                          | have / has written | have/has + been + written                                                                                      |
| Past Indefinite<br>    | wrote              | was / were + written                                                                                           |
| Past Continuous<br>    | was/were writing   | was/were + being + written                                                                                     |
| Past Perfect                                                                                             | had written        | had + been + written                                                                                           |
| Future Indefinite                                                                                        | shall / will write | shall/will + be + written                                                                                      |
